LOG IN PAGE

[Download and Configure Safe Exam Browser](#)

You need to click

first time you use your browser under macOS, iOS or Windows.

Speedwell eSystem uses the Safe Exam Browser to securely delivery exams. It is a locked-down application designed to provide a secure environment in which high stake exams can be taken on Windows, macOS or iOS (iPads). Delivering exams via the Safe Exam Browser can help significantly reduce the risk of cheating.

Speedwell eSystem Safe Exar

Speedwell eSystem uses the Safe Exam Browser to securely de
provide a secure environment in which high stake exams can be
via the Safe Exam Browser can help significantly reduce the risk

Step 1:

Download & Install

[Download Safe Exam Browser for Windows](#) 

[Download Safe Exam Browser for macOS](#)

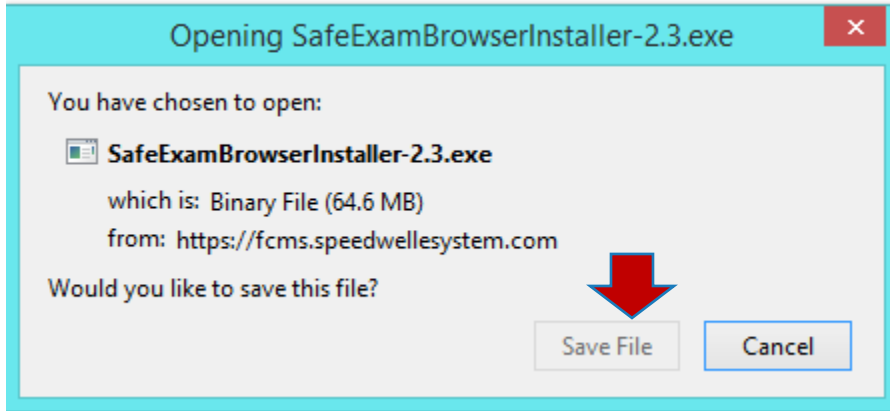

[Download Safe Exam Browser for iOS from the Apple App Store](#)

Requirements

- Windows 7 or later
- macOS 10.8 or later
- iOS 9.3.5 or later

[Back](#) 

Save the SafeExamBrowser on your device:

Run the downloaded SafeExamBrowserInstaller.exe from its downloaded folder and select **Next >> Next >> Install** and **Finish** by replying to the installation screen.

Click on Back to go to the login screen. Enter your username and password then Sign In:
